IET Birmingham: Austin Court has received over £450K of redevelopments including upgrades to the Kingston Lecture Theatre (150 seated capacity).

The investment has seen the Kingston Lecture Theatre transform into a flexible live event space with an improved AV and tech offering, making it the perfect location for product launches, lectures, award ceremonies, presentations and training.

Key upgrade features

- A new state-of-the art sound system offers an enriched audio experience, especially beneficial for award ceremonies.
- Two new HD projections walls either side of the stage which can be used for extra branding or social media feeds.
- New LED coloured lighting can add impact to any event and enables creativity when it comes to presentations. Instead, a brand colour can be set to add further branding.
